Dear guests

A WARM WELCOME TO THE BAYREUTHER BRAUHAUS AN DER HAUPTWACHE!

Right in the heart of Frankfurt, we warmly welcome everyone who would like to experience authentic Bavarian tavern culture and genuine hospitality – paired with a fine beer from Bayreuth.

Whether it's a quick Helles at the bar, a hearty Bavarian snack platter in the beer garden, or a traditional Sunday roast in our tavern dining room: here, the atmosphere is warm, uncomplicated, and welcoming.

Our kitchen team combines Bavarian tavern classics with fresh ideas: from hearty specialties such as crispy Landbier pork knuckle and schnitzel to traditional Bavarian snack platters, as well as vegetarian and vegan dishes – honest, high-quality, and prepared with care.

And of course, our Bayreuther Hell (Bavarian Lager), a classic bavarian lager freshly tapped from the tank according to Bavarian tradition – particularly smooth and perfectly tempered. It's hard to experience Bavarian beer culture in a more authentic way.

OUR FRESHNESS GUARANTEE: BAYREUTHER HELL – DIRECT FROM THE BREWERY

At this beer heaven, beer culture isn't just a tradition – it's a celebration,
and we're committed to serving beer of the highest quality.

To ensure you enjoy **Bayreuther Hell** from the Bayreuther Brauhaus at its very best, we offer our freshness guarantee: the beer is no more than six weeks old, both the brewery and we strictly maintain the cold chain, and it is served to your glass at a perfect 3°C – freshly tapped, **perfectly chilled, and poured with care.**

Cold filtered – cold stored – cold tapped

PERFECT POURING WITH THE SIDE PULL TAP

Our bartenders are trained directly at the brewery on the special **sidepull tap**. When pouring, a dense foam head is created first. The tap is then submerged beneath the foam, allowing it to act as a protective layer for the aroma while forming a beautifully creamy head until the pour is complete.

The result? An incomparable taste and a smooth, full-bodied beer experience.

Fresh beer is served in three variations:

Halbe
0.5 l

Perfect with a **three-finger head of foam**, which allows the beer's aroma to fully develop

Schnitt
0.3 l

A half-liter mug filled half with beer and half with foam. Smoothly poured, similar to a small beer. Traditionally served as the last beer of the evening – here also available as a first choice.

Milky
0.25 l

A half-liter mug with 100% fine-pored, especially creamy foam that slowly transforms into beer. A unique drinking experience known from Czech beer culture.

All draft beers also
available as a
1-liter Maß

Frankfurt history meets Bavarian hospitality

BAVARIAN. HEARTFELT. DELICIOUS.

The Hauptwache has been the heart of the city for centuries. From here, you can head to the Zeil, the old town, St. Paul's Church, or onward to every corner of Frankfurt. A place of arrival, departure – and, above all, a place to hang out.

In the 18th century, our building was originally constructed as a guardhouse. Over time, it became a meeting place for citizens, a political stage, and eventually a well-established gastronomic institution. Since 1904, food and drink have been served here – a tradition we proudly continue with our Bayreuther Brauhaus.

People from all over the world come together in Frankfurt – and that's exactly what we love about the tavern: it brings people to one table. Whether local residents, trade fair visitors, or guests from near and far – here, people sit together, raise a glass, and enjoy good conversation.
