## **A WARM WELCOME TO THE BAYREUTHER BRAUHAUS AN DER HAUPTWACHE!**

Right in the heart of Frankfurt, we warmly welcome everyone who would like to experience authentic Bavarian tavern culture and genuine hospitality – paired with a fine beer from Bayreuth.

Whether it's a quick Helles at the bar, a hearty Bavarian snack platter in the beer garden, or a traditional Sunday roast in our tavern dining room: here, the atmosphere is warm, uncomplicated, and welcoming.

Our kitchen team combines Bavarian tavern classics with fresh ideas: from hearty specialties such as crispy Landbier pork knuckle and schnitzel to traditional Bavarian snack platters, as well as vegetarian and vegan dishes – honest, high-quality, and prepared with care.

And of course, our Bayreuther Hell (Bavarian Lager), a classic bavarian lager freshly tapped from the tank according to Bavarian tradition – particularly smooth and perfectly tempered. It's hard to experience Bavarian beer culture in a more authentic way.

## OUR FRESHNESS GUARANTEE: BAYREUTHER HELL – DIRECT FROM THE BREWERY

---

At this beer heaven, beer culture isn't just a tradition – it's a celebration, and we're committed to serving beer of the highest quality.

To ensure you enjoy **Bayreuther Hell** from the Bayreuther Brauhaus at its very best, we offer our freshness guarantee: the beer is no more than six weeks old, both the brewery and we strictly maintain the cold chain, and it is served to your glass at a perfect 3°C – freshly tapped, **perfectly chilled, and poured with care.**

Cold filtered – cold stored – cold tapped

---

## PERFECT POURING WITH THE SIDEPULL TAP

---

Our bartenders are trained directly at the brewery on the special **sidepull tap**. When pouring, a dense foam head is created first. The tap is then submerged beneath the foam, allowing it to act as a protective layer for the aroma while forming a beautifully creamy head until the pour is complete.

**The result? An incomparable taste and a smooth, full-bodied beer experience.**

Fresh beer is served in three variations:

**Halbe**  
0.5 l

Perfect with a **three-finger head of foam**, which allows the beer's aroma to fully develop

**Schnitt**  
0.3 l

A half-liter mug filled half with beer and half with foam. Smoothly poured, similar to a small beer. Traditionally served as the last beer of the evening – here also available as a first choice.

**Milky**  
0.3 l

A half-liter mug with 100% fine-pored, especially creamy foam that slowly transforms into beer. A unique drinking experience known from Czech beer culture.

All draft beers also available  
as a 1-liter Maß

## **Bayreuther HELL 4.9% 0.5l 4.90**

Authentic Bavarian Lager from the Bayreuther Brauhaus: honest, fresh, and well-balanced. The carefully balanced combination of pale barley malts and a subtle hop note gives Bayreuther Hell its bright golden color and its distinctively smooth and easy-drinking character.

## **Bayreuther HELL Alkoholfrei <0,5% 0.5l 4.90** *Non-alcoholic <0,5%*

Authentic Bavarian alcohol-free Lager from the Bayreuther Brauhaus: fresh, light in taste and proudly alcohol-free. Bright golden in the glass, delicately spicy with a subtle hop note and refreshingly smooth – just as you would expect from Bayreuther Hell, only without alcohol. Not a compromise, but pure beer enjoyment.

## **Maisel's Weisse Original 5.1% 0.5l 5.50**

A classic Bavarian Wheat Beer, shining amber in color with a creamy, fine-pored head. A fresh aroma of yeast and subtle banana notes meets a mild spiciness on the palate. The typical slightly fruity and spicy wheat beer character unfolds, making Maisel's Weisse Original a refreshingly vibrant classic.

## **AKTIEN Zwick'l Kellerbier 5.3% 0.5l 5.50**

An unfiltered Lager, inspired by the tradition of tasting beer directly from the storage tank. Naturally cloudy and amber-colored, with pleasant malt aromas and an exceptionally smooth, easy-drinking character – a classic Franconian Kellerbier.

## **AKTIEN Landbier DUNKEL 5.3% 0.5l 5.50**

A dark Lager naturally brewed with a robust malt aroma and full-bodied flavor, yet remarkably smooth and easy to drink. A deeply rooted piece of Franconian brewing tradition.

## **Bayreuther URSTOFF 5.6% 0.5l 5.50**

A traditional Bavarian lager from the Bayreuther Brauhaus: original, honest, and full of character. Brewed stronger than Bayreuther Hell, it has a bright golden color and a rich, full-bodied taste.

## **Maisel & Friends URBAN IPA 5.6% 0.3l 4.50**

An all-day IPA with character, featuring fruity citrus and grapefruit notes balanced by a pleasant bitterness, giving it a refreshing lightness – as lively as the energy of the city.

## **A Schnitt / A Milky ca. 0.3l 3.60**

A Schnitt is traditionally served in Bavaria as the last beer before settling the bill. Here, we offer a "Schnitt" from any beer on tap – poured with a generous foam head, similar in size to a small beer.

# Frankfurt history meets Bavarian hospitality

---

## **BAVARIAN. HEARTFELT. DELICIOUS.**

The Hauptwache has been the heart of the city for centuries. From here, you can head to the Zeil, the old town, St. Paul's Church, or onward to every corner of Frankfurt. A place of arrival, departure – and, above all, a place to hang out.

In the 18th century, our building was originally constructed as a guardhouse. Over time, it became a meeting place for citizens, a political stage, and eventually a well-established gastronomic institution. Since 1904, food and drink have been served here – a tradition we proudly continue with our Bayreuther Brauhaus.

People from all over the world come together in Frankfurt – and that's exactly what we love about the tavern: it brings people to one table. Whether local residents, trade fair visitors, or guests from near and far – here, people sit together, raise a glass, and enjoy good conversation.
